

Large plot with ruin (23.400 m²)

Silves

Silves-São Marcos da Serra:

This large building plot with a ruin and an area of 23.400 m² is located a 30-minute drive north of Silves, close to a river and benefits from beautiful views of São Marcos da Serra. It has good access to the motorway and is surrounded by unspoilt countryside. On the site of the existing ruin, the plot has viability to build a villa with a built area up to 400 m² - according to the current laws and regulations of the local building authority in Silves.

Excellent investment and opportunity to have a bespoke villa on a big plot!
